## COULD YOU BE AN AUNTY OR UNCLE? PHONE 1300 554 260.

Aunties & Uncles, operated by CareSouth south of Sydney, links community volunteers with children up to 12 years of age from families that are isolated or experiencing stress and could benefit from support. Generally a child or young person is given an opportunity to experience life with another family by spending one weekend a month with them.

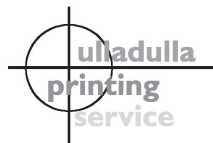

The program is based on the belief that giving time, friendship, care and guidance can help build a child's self esteem and confidence. We have a waiting list of children who would like to be linked with a volunteer Auntie or Uncle but are limited by finance and the number of community volunteers.
