Know someone who
would make a GREAT
foster carer?

There are children and young people in Deniliquin and surrounding communities who need your support. More than 350 new carer families are needed across NSW each year but in Deni the need is urgent. If there was ever a time for you to start caring, this is it.

If you are responsible, warm-hearted and patient, you can make a positive difference for a short time or a lifetime. We provide training, ongoing 24/7 support, and a tax-free allowance, to help you support those who need it most. Our Deni team is ready to answer all your questions on **1300 554 260**.

Join the CareSouth family and show how much you care.
